

MP washes car at charity drive

CHARITY donor Stefanie Yuen Thio received an unusual reward for her generosity yesterday – she had her car washed by an MP.

Marine Parade GRC's Seah Kian Peng (above) cleaned her white Audi convertible at a fund-raising event at the Grand Mercure Roxy Hotel. Seen here with him is Mr Teo Hong Lim (far back), executive chairman of Roxy-Pacific Holdings.

Ms Yuen Thio, 41, managing director of a law firm, received the treat after giving the highest donation – \$2,000.

The hotel's annual charity car wash – the fourth one it has held – raised about \$19,000 for low-income families in Marine Parade.
